

# Caroline PTA

Tompkins County Sheriff  
779 Warren Rd.  
Ithaca NY 14850

April 5, 2008

My name is Lilly Westbrook and I am a member of the PTA at Caroline Elementary School. I am helping to organize a community build to help reconstruct the playground at our school. This is an exciting project that will replace an old, out-of-date, wooden structures with a new, state of the art, handicap accessible playground. All of the students out at Caroline will once again have the opportunity to play on safe and engaging structures where everyone is equal regardless of their skills or abilities.

We need your help. Caroline Elementary School is located on Route 79 just west of Slaterville Springs. Beginning on Thursday May 8, 2008 and continuing through the weekend, trucks will deliver materials and supplies to the school in preparation of this build. This increased traffic is a concern, as it will happen during the school day. On Saturday May 10th, we will to gather over 125 volunteers to build a playground. We would like you to be aware of this activity and the increased traffic it will bring. I am hoping the Sheriff's Office can assist us by monitoring the roadway to help keep our students and volunteers safe.

In addition, we would like to invite you and other members of the force to be a part of our build. Come down to our school and work with trained supervisors to help us assemble a playground. As a volunteer on this project you will be a key player in improving our school and changing the lives of our future generations.

Please contact me by email or by phone at 277-6357 with any assistance you or your organization would be willing to offer.

Thank you,

Caroline Elementary School PTA
